HISTORICAL SOCIETY MEETS TONIGHT

A discussion on the subject of incorporation will be held at tonight's meeting of the Bethel Historical Society, 7:30, at the Casco Bank Community Room.

CITIZENS URGED TO CONTRIBUTE AS BETHEL P. T. A. DRIVE GETS UNDERWAY

The Bethel P. T. A. will hold its annual membership campaign during National Education Week, November 10-14.

At this time children of the fifth and sixth grades at the Crescent Park School will conduct a door-to-door canvass. It is hoped that all the members of the community will contribute whether or not they have children in the elementary schools.

OPEN HOUSE AT BETHEL ELEMENTARY SCHOOLS WEDNESDAY, NOV. 12

Open house will be held on Wednesday evening, Nov. 12, from 7:00 to 8:30 at the Crescent Park and the Ethel Bisbee Schools in Bethel as part of American Education Week, Nov. 9-15.

It is hoped that every parent will make an effort to visit the schools of their children during this week or any time that is convenient. The open house is not for the purpose of having a teacher-parent conference because of the time and amount of people involved. However, on each door of each classroom there will be a list to which a parent can sign for a conference with their child's teacher or teachers. Parents are asked to put down the day and time for which they wish to meet with the teachers. Every effort will be made by the entire staff to meet these appointments or notify the parent in advance why it can not be met and make another appointment.

SERVICEMEN'S ADDRESSES SOUGHT BY AUXILIARY

The Mundt-Allen Auxiliary is interested in securing names and addresses of servicemen to be remembered at Christmas. All addresses received by Tuesday, Nov. 11, will be used in a list to be published in this paper on Nov. 13. Please mail addresses to Mrs. Albert Smith, RFD 2, Bethel, or leave at the Citizen Office.

ADDITIONAL GRADE 3 TEACHER AT WOODSTOCK APPROVED BY DIRECTORS MONDAY EVENING

District 44 directors approved the nomination of Mrs. Martha Tripp of Bethel to teach grade 3 at the Woodstock Elementary School at their meeting on Monday evening at Telstar Regional High School. Supt. Ralph K. Ryder made the nomination to fill the position that was authorized at a recent meeting of the board following the recommendation of the elementary education committee.

Mrs. Tripp is a graduate of Gorham (Maine) High School in 1962 and has a B. S. degree from Gorham State College in 1967. She has done substitute teaching in Lancaster, N. H., Dedham, Mass., and in Bethel. Her husband, David, is an industrial arts instructor at Telstar.

Action on the resignation of Mrs. Lanie Wright as elementary art supervisor in SAD 44 schools was deferred until the next regular board meeting. The action was prompted by a question of whether or not certain contractual stipulations had been met.

Bethel director Dale Thurston requested, if it were possible, that instructors' reasons for leaving the system be brought to the directors' attention. It was thought that if something was at fault within the system then these conditions could be eliminated.

The directors also approved the issuing of a temporary note in anticipation of state aid in the amount of \$966,000 to renew outstanding notes in that amount. The 90-day note, to be purchased by the Canal National Bank of Portland, bears interest at 5 1/4% per annum.

A motion was defeated that would have restored \$27,000, approved under the original bond authorization, to the Telstar project.

Reporting for the building committee, Milton Mills, stated that the well house at the Locke Mills School should be repaired before the arrival of snow. It was reported that

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

Word has been received at the town office that construction of Alder River Bridge has been designated a Federal Aid project. The highway commission hopes to advertise the project in May 1970.

The selectmen refused all bids on the East Bethel school house. They felt the offers made were too low. The property will be placed out to bid again.

We experienced very little difficulty due to washouts during the heavy rains of the last few days. The only road that was impassable was Grover Hill. A culvert washed out but was repaired within hours afterward.

It is our understanding another meeting of possible volunteers for ambulance service will be held at the Fire Station Sunday night. I am sure anyone with views on the subject would be welcome.

Representatives of the phone company were in the office Wednesday. They plan to rebuild all lines in Bethel during the winter. A new station will be built in West Bethel and all old equipment now being used will be scrapped.

NIGHT-TIME VANDALISM CAUSES \$1,500 DAMAGE AT TELSTAR HIGH SCHOOL

Vandalism in the interior of Telstar Regional High School, discovered early Tuesday morning, is reported to have caused damage exceeding \$1,500. In addition to the physical damage at the building, an amount totalling approximately \$250 was missing from the vault in the high school administrative area and the cafeteria kitchen. No evidence was apparent as to how entrance was gained to the building.

After failure to gain entrance to the vault door, the vandals chiseled a hole in the top of the vault, first removing a ceiling panel to gain access.

TO BE SOMEONE ELSE?

Now is the time! In late January the AAPA of the Rumford community area will put on a production of Gilbert and Sullivan's "Mikado" under the direction of Mrs. Judith Kuhn.

Rehearsals are held on Tuesdays at 7:30 in the music room of the Rumford High School. All those interested in performing on the stage or behind the scenes are urged to attend. If there are enough people in the Bethel area who want to participate, some of the rehearsals will be held here.

For further information, contact Maizy Dolven at 824-2734.
